CHINA INTERNATIONAL IMPORT EXPO

NOVEMBER 5th-10th, 2018

Venue: National Exhibition and Convention Center (Shanghai)

Hosts: Ministry of Commerce of the People's Republic of China
Shanghai Municipal People's Government

Supporters: World Trade Organization

United Nations Industrial Development Organization and etc.

Organizers: China International Import Expo Bureau

National Exhibition and Convention Center (Shanghai) Co., Ltd.

INVITATION

In May 2017, Chinese President Xi Jinping announced at the *Belt and Road Forum for International Cooperation* that China will hold *China International Import Expo (CIIE)* starting from 2018.

It is a significant move for the Chinese Government to hold CIIE with a view of firmly supporting trade liberalization and economic globalization and actively opening the market to the world. It facilitates countries and regions all over the world to strengthen economic and trade cooperation, and to promote global trade and world economic growth in order to advance the development of an open world economy.

The Chinese Government sincerely welcomes government officials, friends from business community, exhibitors and professional purchasers across the world to participate in CIIE and to explore the Chinese market. We would like to work with all countries, regions and international organizations to strive for making CIIE a world-class Expo, providing new channels for countries and regions to do business, strengthening cooperation and promoting common prosperity of the world economy and trade.

HIGHLIGHTS

HUGE CHINESE MARKET, RAPID GROWTH OF CONSUMPTION AND IMPORT

With the world's largest population, China is the second largest economy, as well as the second largest importer and consumer in the world. Now China has entered a new development stage on which consumption keeps increasing, indicating enormous potential for the growth of consumption and import. In the next five years, China is expecting to import products and services valuing more than 10 trillion U.S. dollars, which provides a historic opportunity for enterprises across the world to enter the huge Chinese market.

IDEAL LOCATION OF SHANGHAI, AS TRADE CENTER OF CHINA

Located at Yangtze River Delta Economic Zone, Shanghai enjoys favorable location advantage, great economic strength, well-developed service industries and the ability to allocate global resources. The container throughput of Shanghai Port has been ranking the first place for seven consecutive years. The passenger throughput of airport exceeds 100 million, with flight network covering 255 cities around the world.

LARGE EXHIBITION, DIVERSIFIED AND TARGETED SUPPORTING ACTIVITIES

Enterprises from over 100 countries and regions are expected to participate in the first CIIE. Supporting activities such as supply-demand matchmaking meetings, seminars and product release will be held during the Expo.

MULTIPLE MEASURES GUARANTEEING ALL-ROUND AND EFFECTIVE SERVICE

CIIE will facilitate participation in terms of customs clearance, inspection and quarantine, provide long-term one-stop transaction services online and offline, and strengthen protection of intellectual property rights to safeguard the rights and interests of merchants.

STRONG PURCHASE DEMAND, A LARGE NUMBER OF PROFESSIONAL PURCHASERS

CIIE will invite Chinese enterprises from the whole country to come to do business. Merchants from third countries will also be invited to the Expo. It's estimated that 150,000 domestic and foreign professional purchasers will participate in the Expo.

HALL PLAN

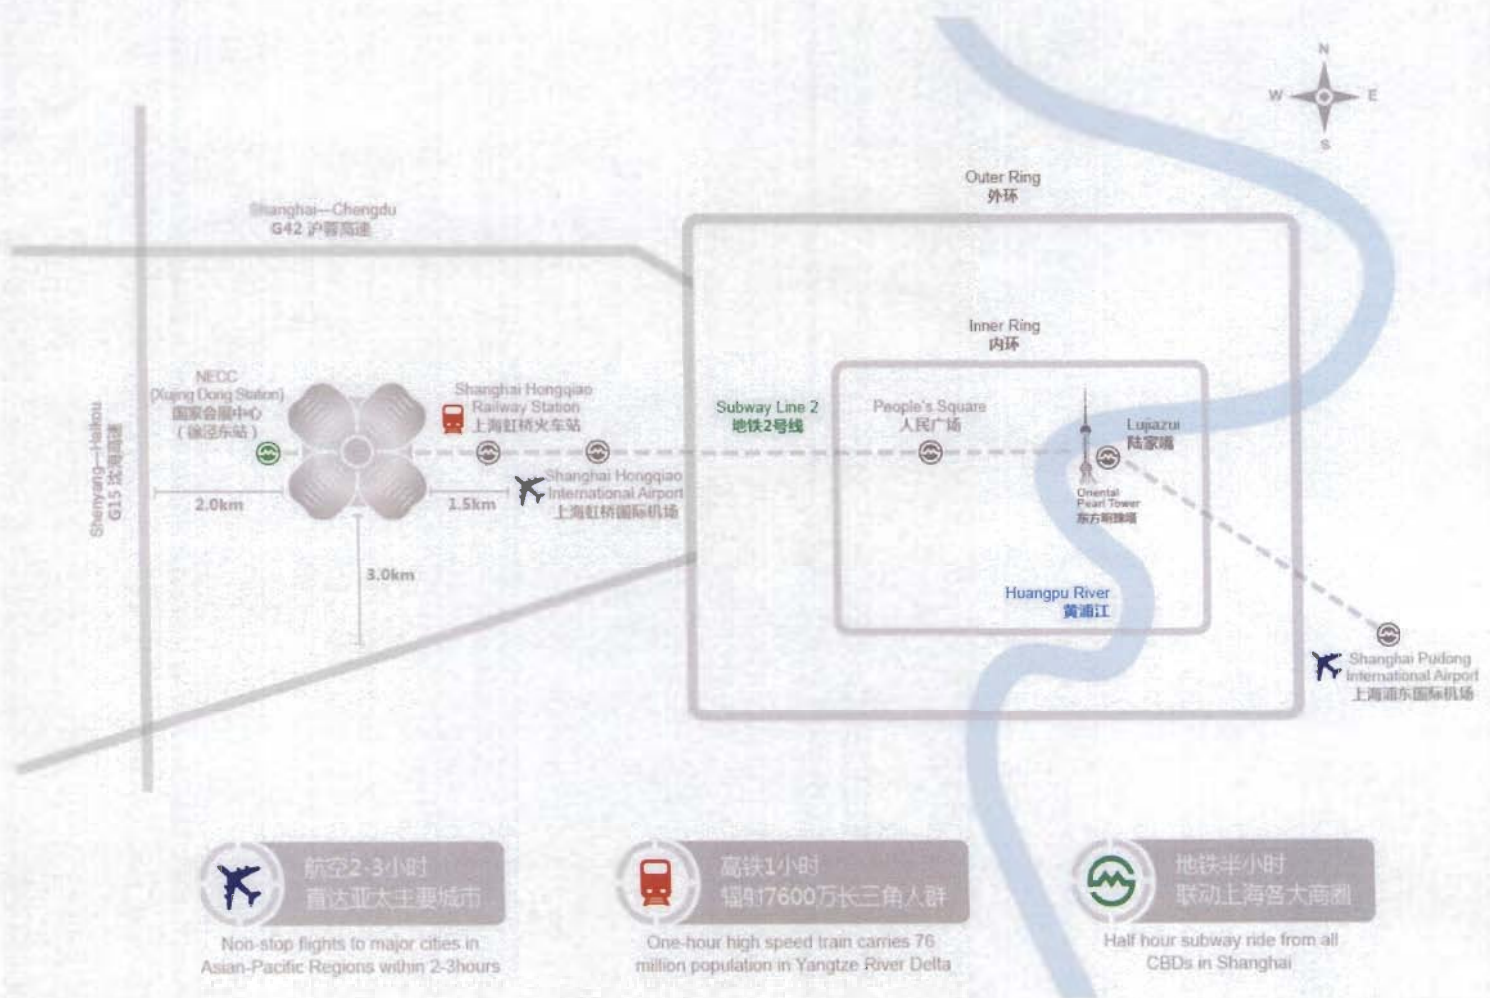

INTRODUCTION OF THE VENUE

National Exhibition and Convention Center (Shanghai) is the world's largest single block building and exhibition complex with a total construction area of nearly 1.5 million m². Facilities at NECC (Shanghai) include exhibition halls, the commercial plaza, office buildings and a hotel. These four facilities are linked together by an 8-meter-high elevated Exhibition Boulevard so that people can easily traverse these functional areas.

NECC (Shanghai) has a total area of 500,000 m², including 400,000 m² indoor exhibition hall and 100,000 m² outdoor area. The indoor exhibition area consists of 13 big halls with each of 30,000 m², and 3 small halls with each of 10,000 m², all accessible by trucks. Over 60 fully-equipped conference rooms surround the exhibition halls.

1.5 km away from Hongqiao Transportation Hub, NECC (Shanghai) is linked to Hongqiao Airport and Hongqiao Railway Station by the city's metro line. Because of the convenient national highway network, the major cities in Yangtze River Delta region are easily reached within 2 hours.

CONSUMER ELECTRONICS & APPLIANCES

WHY EXHIBIT?

In 2016, the number of active smart phones in China reached 2.33 billion, and the amount of phone numbers with active Internet access reached 1.247 billion. With the popularity of smart phones as a symbol, Chinese consumer electronics market has developed rapidly in recent years, and consumers' demand has shown a trend of diversification and customization. High-end products introduced by renowned international enterprises have been favored by many consumers. In 2016, China's import of consumer electronics and appliances amounted to 412.8 billion USD.

CIIE will build a bridge for consumer electronics and appliances enterprises, connecting to the vast majority of Chinese consumers. During the Expo, dozens of industry seminars and trade matchmaking activities will be held, which will make CIIE not only the platform for enterprises to encounter Chinese consumers, but also the platform between global enterprises, even one for global enterprises to connect with the global market.

APPAREL, ACCESSORIES & CONSUMER GOODS

WHY EXHIBIT?

China has witnessed a new round of consumption upgrading, with its annual growth rate of retail sales of consumer goods at more than 10% in the past decade. Consumers in China are starting to value quality over price, and imported goods are favored by many consumers. Unlike previous large overseas companies, which entered China market directly, many products of the small and medium-sized enterprises entered China market through new channels such as procurement service, import supermarkets and cross-border e-commerce.

CIIE will become a new channel for foreign consumer goods to enter the Chinese market and activate more potential consumers. In addition to the B2B and B2C online trade, the Expo will provide a long-term channel for small and medium-sized enterprises to sell in China, which will be a 365-day expo.

HIGH-END INTELLIGENT EQUIPMENT

WHY EXHIBIT?

As a super country in manufacturing industry, China has accounted for 20% of global manufacturing output. Meanwhile, China is striving for transforming from a big manufacturing nation to a powerful manufacturing nation, which means China needs to import the most advanced equipment from the world, not only the number, but also in terms of the quality.

China has the largest consumer market for production equipment in the world, and CIIE will provide a unique platform for the world's leading technology equipment enterprises to present themselves worldwide. During the Expo, dozens of industry seminars and trade matching activities will be held. High-end manufacturing enterprises in China will be invited for purchasing via accurate matchmaking activities.

TRADE IN SERVICES

WHY EXHIBIT?

From 2011 to 2015, China's import of trade in service rose from 247.7 billion to 467.4 billion USD, with an average increase of 24% per year. Among them, the growth of outbound tourism was the most prominent. After eight years of rapid growth of over 20%, Chinese residents' outbound spending grew by a staggering 77% in 2015. In addition, China's import of trade in services, namely transport, business services, franchising, construction services and insurance services, were also significant.

Providing high value added services will be a lucrative business in the huge market of China. CIIE will build a bridge between global service providers and demanders to make quality services known in China and the broader global market.
